## GREETINGS FROM THE ADMINISTRATOR

Happy Fall!

We are happy to be welcoming Fall and all of the fun activities that accompany this season.

The KPH will be participating in the Aging and Disabilities Resource Fair on Saturday at the Plaza from 10-3:00.

Please come by and say hello or pick up an application for admission if you need one.

I will be traveling to Anchorage next week to meet with fellow Administrators and Division Director Vickie Wilson. These are challenging times but we hope to meet and share best practices on adding value and efficiency to each of our homes as we look to continue to reduce costs. I know many of you have been in contact with me as we have worked to brainstorm cost saving measures.

Thank you for your continued patience as we have held positions vacant and eliminated others. Despite the challenge we are excited about the opportunities to be creative and as always, the staff of the KPH make me so proud with their positive attitudes and their willingness to think outside the box.

*Julie Sande,  
Administrator*

## LOOKING FORWARD

*Please join us for our Halloween Party on October 30th at 3:00p.m. We are also having a Trick or Treat costume parade at 10:15 a.m. and 3:00p.m. for our preschool classes. It's a busy day at the Home so please let us know if you have time to volunteer or just join in the fun!*

# FIRST FAMILY DINNER

"I'm so glad I live in a world where there are Octobers"

We love the Fall season for lots of reasons but our Family and Friends Dinner is one of the best reasons to welcome October.

The first Family and Friends Dinner is scheduled for Thursday, October 15th. @ 5:00 p.m. The cost is \$10.00 and the menu looks fabulous!

Our dedicated Boy Scout Troop servers!

## Menu

**Appetizer:** Anti-Pasta Tray  
**Salad:** Caesar Salad  
**Entrée:** Tortellini's in Pesto Cream Sauce, Dinner Roll  
**Dessert:** Carrot Cake with Cream Cheese Frosting

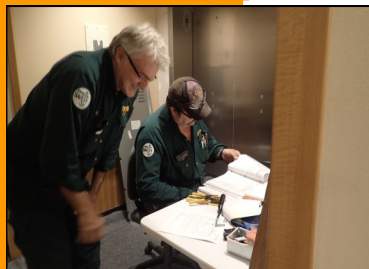

Please be sure to RSVP by contacting Hilary at 228-3372. We hope you will join us for a wonderful evening of friendship and delicious food.

# EVACUATION TRAINING

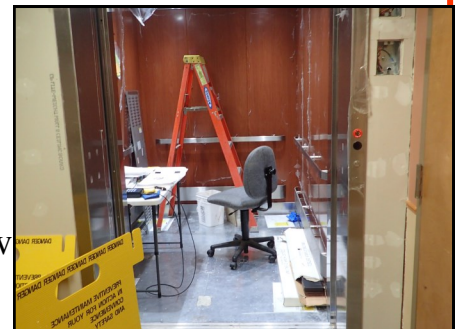

Special thanks to Michele Crosson of Nana Management and Mark Schiller from Maintenance for volunteering to help train staff to learn how to use the Evac-Trak device while the elevator was being replaced. Thankfully we did not need to use our new found knowledge but we felt better knowing we were more prepared to keep the residents safe in the event of an emergency.

# NEED A LIFT?

The elevator replacement project was completed on time and we are so pleased to have it up and running just in time for the rainy weather. Special thanks to H&SS Facilities Maintenance, Otis, Chaz Edwardson and crew and to all of you for your patience.

# LIBRARY TIME

Library Time is back by popular demand! Our preschool students have returned and we are so happy to be spending our Thursday afternoons & Friday mornings with them while shar-

ing some of our favorite childhood story books. If you have a minute please stop by and witness this wonderful inter-generational program.

## PIONEER TEA

Members of the Pioneers of Alaska Auxiliary visited us for a lovely Autumn Tea party. We have many residents who are members of this fraternal organization and it was so nice to gather for tea. The Pioneers of Alaska is an organization whose purpose is to preserve the early history of Alaska and its membership is open to men and women who have been residents of Alaska for 30 years.

## LOOKING FORWARD TO THE LADY BUGS

The Lady Bug preschool class of Holy Name has been among our most dedicated group of volunteers over the years. Miss Diana has been helping establish relationships between our residents and her students in such a meaningful way. This year we also welcome teacher aide Miss Maureen. Thanks so much Holy Name Lady Bugs, we look forward to seeing you on the 28th.

# POND REHABILITATION

Special thanks to the KPH Resident Council for helping to purchase a new liner for the garden pond. The residents voted to use some of the donated funds from the KPH summer Garage Sale to help put a new liner in the pond. The pond was leaking and in disrepair which was very worrisome to the residents. Special thanks also to Mark, Ron and Hilary for helping us with this project.
